Profit is a key force in the industry, due to the costly and risky nature of filmmaking many films have large cost overruns, an example being Kevin Costners Waterworld. Yet many filmmakers strive to create works of lasting social significance. The Academy Awards also known as the Oscars are the most prominent film awards in the United States, providing recognition each year to films, based on their artistic merits. There is also a large industry for educational and instructional films made in lieu of or in addition to lectures and texts. Revenue in the industry is sometimes volatile due to the reliance on blockbuster films released in movie theaters. The rise of alternative home entertainment has raised questions about the future of the cinema industry, and Hollywood employment has become less reliable, particularly for medium and low-budget films.6

Since the introduction of digital video DV technology, the means of production have become more democratized. Filmmakers can conceivably shoot a film with a digital video camera and edit the film, create and edit the sound and music, and mix the final cut on a high-end home computer. However, while the means of production may be democratized, financing, distribution, and marketing remain difficult to accomplish outside the traditional system. Most independent filmmakers rely on film festivals to get their films noticed and sold for distribution. The arrival of internet-based video websites such as YouTube and Veoh has further changed the filmmaking landscape, enabling indie filmmakers to make their films available to the public.

Early home media releases The 2019 film Frozen II was originally planned to be released on Disney+ on June 26, 2020, before it was moved up to March 15. Disney CEO Bob Chapek explained that this was because of the films powerful themes of perseverance and the importance of family, messages that are incredibly relevant.135136 On March 16, 2020, Universal announced that The Invisible Man, The Hunt, and Emma – all films in theaters at the time – would be available through premium video on demand as early as March 20 at a suggested price of US.99 each.137 After suffering poor box office since its release at the

start of March, Onward was made available to purchase digitally on March 21, and was added to Disney+ on April 3.138 Paramount announced on March 20, Sonic the Hedgehog is also planning to have an early release to video on demand, on March 31.139140 On March 16, Warner Bros. announced that Birds of Prey would be released early to video on demand on March 24.141 Three days later, the studio then announced that The Way Back would also be available on video on demand the same date as Birds of Prey.142 On April 3, Disney announced that Artemis Fowl, a film adaptation of the 2001 novel of the same name, would be released straight to Disney+ on June 12, skipping a theatrical release entirely.143144
